CTR-DG2 (6968*3000*2791mm) DETACHABLE CONTAINER HOUSE

More Loading Quantity

Detachable container houses can be disassembled into multiple sections, which can be packed more efficiently into shipping containers. This feature allows for greater loading quantities and reduced shipping costs.

More Different Collection Choices

We offer a range of design options for our container houses, including different sizes, layouts, and exterior finishes. Whether you need a small-scale housing solution or a large-scale commercial or industrial project, we can provide a container house that meets your requirements.

Longer Life-Span

With high-quality materials and construction techniques, weather-resistant finishes, and a modular design for easy repairs and replacements, our container houses provide a cost-effective solution for long-term use.
